

Enquiries about results guide (International) 2022

A guide for exams officers

We carry out extensive quality checks before we release results. However, we do offer a range of enquiry about results services if you would like us to check the results for particular candidates.

This guide provides step-by-step advice to help you submit enquiries about results.

There is an administrative fee for enquiries and appeals. See our fees list in the 'My Messages' section of **Cambridge International Direct** for details. We will not charge the fee if the enquiry leads to a change in syllabus grade. You will receive invoices from October for the June series and from March for the November series.

Important information

Enquiries about results are not available for component exemptions. For details of which candidates you have exempted from which component(s), log in to Cambridge International Direct, select the 'Covid-19 Exemptions' tab and download the 'Exemption by Candidate Report' (as a CSV file).

See the 'Guide for submitting candidates' details for Covid-19 exemptions' on our website for step-by-step guidance:

www.cambridgeinternational.org/june-2022-exemptions

The services in this guide are also available to candidates who submitted a portfolio of evidence, except service 9 (or any group report services).

There is an additional service available for candidates taking the portfolio of evidence route: **www.cambridgeinternational.org/june-2022-poe-ear**

Service name	Details of service	Availability of service
Clerical re-check: Service 1	This service checks that all parts of the script were marked, and that the marks were totalled and recorded correctly.	Available for components we have assessed.
Clerical re-check with copy of script: Service 1S	The same as Service 1 but you also receive a copy of the script.	Available for components we have assessed. Not available for Art & Design syllabuses.
Review of marking: Service 2	A review of the original marking to check the agreed mark scheme was applied correctly. This service also includes the re-checks in Service 1. In this context, the 'original marking' means the marking used to determine the candidate's provisional result. This is often, but not always, the marking of the first examiner to mark the script.	Available for components we have assessed. Not available for multiple-choice question papers.
Review of marking with copy of script: Service 2S	The same as Service 2 but you also receive a copy of the script.	Available for components we have assessed. Not available for multiple choice question papers or Art & Design syllabuses.

Service name	Details of service	Availability of service
Re-moderation of coursework with report: Service 5	A re-moderation of a component you have assessed, and a report on how you assessed it. If you have submitted a different enquiry for any of the candidates in the group we will finish that enquiry before we produce the report.	Available for components you have assessed. Not available for individual candidates. We will only re-moderate the work of the candidates in the original sample.
Report on the work of a group of candidates: Service 9	<p>A report on the work of a group of 5 to 15 candidates for a component we have assessed. We do not review any marking. The report is designed to give teachers a better understanding of their candidates' performance in a particular component. You cannot use the reports to decide about retake entries.</p> <p>We process enquiries in the order we receive them. If you submit a different enquiry for any candidates in the group after the Service 9 submission, the enquiry status will show as 'pending'.</p> <p>Once the Service 9 enquiry is completed and the report uploaded to Direct, we will process the 'pending' enquiries and change their status.</p> <p>We recommend you submit all other services first before submitting a Service 9.</p>	Available for components we have assessed. Not available for multiple-choice question papers.

NO RESULT (X Grade) or PENDING (Q Grade)

Enquiries for a NO RESULT (X Grade) or PENDING (Q Grade)	<p>We usually issue a 'NO RESULT' if we think the candidate has not completed all the components of an assessment. 'PENDING' means we cannot issue a result at the moment but will do this soon.</p> <p>If the Head of Centre asks us, we can explain 'NO RESULT' or 'PENDING' outcomes free of charge. We will ask you to send us any evidence that shows our records may be wrong, for example, an attendance register or a coursework mark.</p> <p>If we say we cannot issue a result we will:</p> <ul style="list-style-type: none"> • confirm which component(s) we have no mark for. • explain again why we cannot award a result, for example, that we did not receive documents, coursework marks or information to confirm the candidate did or did not take a particular exam.

Important information

- You can only submit enquiries about results at component level.
- All the components you want us to review for a candidate within the same syllabus must be submitted at the same time. We cannot accept additional component enquiries for the same candidate and syllabus at a later date.
- All the components you want us to review for a candidate must have a mark from an exam or from moderation. We will not consider any requests which include a component where we have calculated an assessed mark.
- For clerical re-check or review of marking services, you may only select one type of review or re-check service. For example, you cannot ask for a Service 1S for one component and then a Service 2S for another component if they are in the same syllabus. You cannot ask for the same or another service for the same syllabus for the same candidate if a previous request has already been submitted.
- We deal with enquiries in the order we receive them. We normally communicate the outcome of your enquiry to you within 30 days of receiving it. However, due to the ongoing impact of the Covid-19 pandemic, it may take us longer than normal to share the outcome with you.
- Associate Centres should submit enquiries about results to their Cambridge Associate through **Direct**. Cambridge Associates can then approve the enquiry and send it to us or reject the enquiry. For more information, **see page 14** of this guide.
- Please make sure your centre's email address is correct before submitting an enquiry.
- After you have submitted an enquiry, we will email you to tell you when the following documents are available on **Direct**:
 - acknowledgment letter (this will display as 'Ack' on Direct).
 - outcome letter ('Out').
 - report, where applicable ('Rpt').
 - copy of script, where applicable ('Cos').
- If any of your candidates or their parents have questions about marking and grading, direct them to our **website**. You can find more information about script marking and tolerances on the 'How to understand marks on candidate's scripts' factsheet. This is available from the enquiries about results area of our website: **www.cambridgeinternational.org/ear**
- If you want to make amendments to an enquiry or cancel an enquiry, you must do this within 24 hours of your enquiry being acknowledged. We will charge an administration fee for any changes after this time.
